Shopping online- Yes or No?

Injy - I love online shopping!

Shopping online is great! Firstly, it saves my time. I don't want to spend lots of time travelling to the shops. I can stay at home and buy the things I want in a few minutes. Secondly, I have more choice online. Also, if more people shop online, there will be fewer cars on the road and less pollution! I will do all my shopping online when I am older.

Baher - I prefer going to real shops in my city

Every time I buy clothes online, the thing that I buy is wrong! At a shop, I can see what I am buying and I can try it first. Also, I don't like to waste time waiting for a delivery - I want things now! If everyone shops online, the shops in our town and cities will close. If they close, then lots of other businesses like cafes will close, too.

Reading (1)

The Time Machine

By H G Wells

London, England, 1895

A group of friends meet for dinner at the Time Traveller's house. After dinner, the Time Traveller asks his friends if they think that it is possible to travel through time.

"It's impossible!" they reply, "We can only travel through space, not time". The Time Traveller shows them a small model of a machine that he has in his hand.

"This is a copy of a machine that I believe can go through time. It took me two years to build", he tells them. The friends laugh.

"Pull this lever," he tells one of them.

They feel some wind and then the machine suddenly disappears!

"Where is it?" the other men ask.

"The model machine is in the future," the Time Traveller says. "Would you like to see the real machine?" he asks.

He takes them to another room. Inside the room is another, bigger machine. It is not finished.

"In this machine," he says "I will explore the past and future!"

Listening Text

Debate about : All computer games are bad for you

- Hanan** : Do you think that all computer games are bad for you, Lama?
- Lama** : In my view, not all computer games are bad. Some of them can help you to learn things.
- Hanan** : I agree. If you don't play computer games all the time, it shouldn't be a problem.
- Lama** : In my opinion, playing games late at night stops you sleeping.
- Hanan** : I agree. It is not a good idea to play games late at night though.
- Lama** : Yes, It's a good idea to only play quiet, calm games in the evening.
- Hanan** : If you only play games that teach you things in the evening, it should be fine.

Videoscript

- Narrator** What do you use when you want to find out the time?
Do you use a watch or do you use a clock?
These clocks either use numbers to tell the time or they use hands. These hands show hours, minutes and seconds. But how did people know the time in the past? In Ancient Egypt, people used sundials. Sundials use position of the sun to tell the time. Then, in the year 1524, a scientist from Damascus called Taqi al-Din invented a watch that looked like watches of today. It had three hands to show hours, minutes and seconds. It was also small, so people could carry it with them.
But watches today don't only tell you the time. Some watches will say that you should do exercise if you are sitting at a computer for a long time! And some have apps, such as maps, that will give you directions if you are lost. What will the watches of the future be like? Some will be like modern mobile phones. If someone calls you, you will be able to see them on a special video screen.
And some will look after your health. They will tell you what medicine you should take if you are ill, or that you should see a doctor.

What I eat

My name is Imad. I am allergic to nuts , so I must be careful what I eat. If I eat something with nuts in it, I will get ill! for most of the time, this is not a problem. However, I like sweet things, and there are a few types of cake that have nuts in them, so I can't eat those. I am lucky because my mother makes me many different delicious things to eat at home. She says I should eat more vegetables and salad. I have a lot of fruit, and that's healthy!

I am Mustafa. I am on the school athletics team and I go running every day, so I need food that gives me energy. I eat a lot of rice and pasta every day. I also eat a few healthy snacks, like nuts. After athletics practice, my friends and I sometimes get some fast food, like pizzas, on the way home, but I try not to eat too much!

Hi Tom,

How are you? Thanks for your last email. You asked me to describe my favourite snack. I love hawawshi and I often have it when I get home from school. It is easy to make. First, you need some nice bread. Then you put some meat and vegetables inside the bread. You can put some salt on it, too. I don't like to have any salt, though, because it is not very healthy. Now you cook it in the oven. It is delicious! Do you have any favourite snacks?

Describe them to me in your next email!

Best wishes,

Osama

A healthy diet

It may surprise you to know that West African countries have one of the healthiest diets in the world. Why is this?

Firstly, people in countries such as Senegal, Mali and Sierra Leone eat a lot of fruit and vegetables, which are very healthy. Furthermore, the people eat a lot of rice, nuts and fish. These have a lot of protein.

Another important point is that the people of West Africa don't eat much food with a lot of salt and sugar in it.

To conclude, a healthy diet means eating enough healthy things like fish and vegetables, and not eating a lot of salt, sugar and fast food.

The Okinawan diet

I come from Okinawa in Japan and the diet on my island is very healthy. This is for three reasons. Firstly, we eat a lot of fresh vegetables. We eat green purple and yellow vegetables like spinach, sweet potato and peppers. Furthermore, we don't have much fat in our diet: we only eat a little meat and a few dairy products.

Another important thing is that we eat a very healthy breakfast. We have soup with spinach or egg with rice, and this gives us lots of energy to start the day. As you can see, our diet is healthy. That's why Okinawans live a long time. Some of the oldest people in the world live on my island.

Don't eat fast food

It is good that you don't eat fast food, but if you feel very hungry between meals, it is a good idea to have a snack. How about bringing a few healthy snacks to school on the days when you have athletics club? If you want to have more energy, why don't you try eating more food that gives you energy like rice and pasta? Perhaps you could eat a bigger breakfast in the morning , too.

How much sleep we need

How much sleep should we have? The answer depends on your age. Very small babies sleep for about 14 or more hours a day ! Children aged six to seventeen should sleep for about ten hours a night. Then you need less sleep. Most people aged 18- 65 need about eight hours' sleep.

When I am not at school or doing my homework, I am usually at the restaurant. I don't want to stop helping my parents, so I don't know what to do.

Eman

I am Eman. I do a lot of sport and I have a very healthy diet. I eat lots of fruit and vegetables and I almost never eat fast food. Videoscript

Narrator

There is a lot of delicious, healthy Egyptian food. Dishes like Kushari and Rozz Me'amar are enjoyed by many in Egypt and around the world. But which Egyptian food is good for you before and after you play sport?

Ful medames is a dish made of beans. People usually eat this with a little bread. The beans and the bread contain something called carbohydrate. Carbohydrate gives you energy to do sport.

Rice, pasta, fruit and vegetables contain a lot of carbohydrate, so why don't you eat these things before you go swimming or do athletics?

Sugar also gives us energy to do sport. You can find sugar in chocolate, sweet, honey and desserts like basbousa and Kahk.

But you should only eat a little sugar because it is bad for your teeth.
After you play sport, how about eating food that contain protein? protein is something that helps our body to recover after exercise.
Meat , fish and dairy products, like milk and cheese, contain a lot of protein. So, you should eat things like Kofta, Sayadia or Shakshouka after you play sport.
It is important to look after your body. You should do exercise and eat a healthy diet.

Review of the Museum of modern Egyptian Art

by Wagdy Badr

Last month, I visited the Egyptian Museum of Modern Art in Cairo. Egypt is famous for its Ancient art, but I was interested seeing art by Egyptians from 20th and 21st century.

In my view, the artists were really good because they showed what life was like in Egypt in the past and now. There were portraits of both important and normal Egyptian people. I thought the cartoons were also really cool! I saw lots of sculptures, both big and small.

My favourite thing in the museum was a painting called Al Madina by Mahmoud Said. It made me feel happy because it was very colourful. The best thing about the museum is that it is free to visit! I recommend visiting it if you are in Cairo, but it is a good idea to go early when it is not very busy.

Review of the Textile Museum in Cairo

by Injy Zaki

Last month, I visited the Textile Museum in Cairo. The museum has lots of clothes from different times in history. I thought the clothes from Ancient Egypt were fantastic. In my view the statues showing people wearing the clothes really teach you about life in the past.

My favourite thing was the Islamic area where you can see different kinds of calligraphy. I recommend looking at the clothes from other countries, too, such as Iran. They are very interesting. If you want to take photos, it is a good idea to take a good camera, because the museum is quite dark.

The Al Nour Wal Amal Chamber Orchestra

The Al Nour Wal Amal Chamber Orchestra is at school for blind girls in Cairo. Eman Badr is one of the musicians. She is able to play the violin very well. She started playing when she was six. Eman became blind when she was two years old. She likes playing in the orchestra because she loves music and being with her friends. Recently, she visited Oman and France with the orchestra.

I think the orchestra is amazing. It must be very difficult to read music with your hands and then remember it. I would like to go to one of their concerts.

Little women by Louisa May Alcott

Meg, Beth and Amy were sewing when Jo came into the room with a newspaper. She sat down and started to read it. " Anything interesting?" asked Meg. " Oh, only a story," Jo replied. " What is it called?" asked Beth. She wondered why Jo was hiding behind the newspaper. It is called the Rival Painters, " said Jo. "Why don't you read it to us?" asked Amy.

Jo started to read it very quickly. The girls listened carefully. The story was very sad. " I liked it," said Meg at the end. She was crying a little. " Isn't it strange that the characters are called two of our favourite names?"

Beth saw Jo's face. " Who wrote the story?" she asked. Jo jumped up, threw the paper down and said, " Your sister!" " You?" shouted Meg. It is very good!" said Amy. " I knew it! I knew it! Oh, I am so proud!" said Beth, hugging her sister.

Videoscript

Narrator : Can you sing? Do you know how to dance? Perhaps you can act. But are you able to sing and act at the same time?
Actors who appear in opera can do all of these things. An opera is a type of play in which the actors sing and sometimes dance. There is also lots of music.
People can watch an opera in a special theatre called an opera house, like this famous one in Sydney.
There are many famous operas, such as Carmen, the Barber of Seville and Tosca. Opera singers such as Maria Callas , Placido Domingo and Luciano Pavarotti are able to sing really well.
Giuseppe Verdi was an Italian who wrote some important operas in the 19th century. One of his most famous operas is called Aida.
Aida was set in Ancient Egypt. It is about a soldier who loves a princess. It was performed at the Khedivia Opera House in Cairo in 1871. At this time, this opera house was the biggest in Africa and one of the most important opera houses in the world. It was destroyed in a fire in 1971, but a new opera house opened in 1988. It is called the Cairo Opera House. This is a beautiful building on Gezira Island. Thousands of people come here every year to watch operas and other performances, such as ballet or music.
Do you like opera?

Today, I am visiting a very special school in Cairo. this is a music school for girls. All the students study their normal subjects in the morning and then practise their instruments in the afternoon.

Many of the students at this school join an orchestra called Al Nour Wal Amal Chamber Orchestra. This orchestra plays concerts in Australia, Germany, China and all around the world. What is most special about the school and the orchestra is that all the students here are blind. The orchestra plays international classical and Arabic music.

A review of Jurassic World

Jurassic World is an adventure film. The stars of the film are Chris Pratt and Bryce Dallas Howard. It is about a theme park where scientists have helped dinosaurs to live again! Then some of the dinosaurs escape. What will happen?

I thought the action was exciting and my favourite thing was the scary dinosaurs, they look very real. But, in my opinion the story isn't very interesting or new. I recommend this film if you like exciting and scary films, but not if you want a good story.

A review of Lord of the Flies

Lord of the flies is an adventure story. It is by the British writer William Golding. It is about some schoolboys who have to live on an island after their plane lands in the sea and the pilot dies. How will the boys live on the island, and will they escape?

I thought the action was exciting and many amazing things happen to the boys. My favourite part was early in the story, when the children enjoy their time on the island. But, in my opinion, some of the children are horrible and I didn't like them.

I recommend the book because it makes you think about what it is like to live only with other children, but it is not a very happy story.
